

Lexin Cable Manager – Pull Up Desktop T-Bus1

- Lexin Cable Manager- Pull up package – cables: SA 3-Pin Power socket, VGA, 2 x Network ,Telephone, Composite Video , Minijack audio, housed in a neat cubby with flip top lid.

LEXIN®

Managing messy cables on a boardroom table has never been this easy. We offer 2 solutions (pull up and plug in) with a standard SA power supply.

Reasons to install the Lexin Desktop TBus1

- All cables are housed in the cable manager ensuring a neat setup with readily accessible fly leads.
- Cables can be changed to suit the setup.
- The bracket system allows installation to tables of varying thicknesses.
- Robust design – ideal in high traffic environments.
