

HDMI module v2.0 (4K)

Includes short cable at rear with female HDMI connector

Carries digital audio and video over one cable

Occupies 1 module space

This module is part of Vision's Techconnect connectivity faceplate family.

### Fixes to Surround

Techconnect modules fix into a surround, which in turn fixes to a backbox, mudring (for hollow walls), or a table faceplate.

### Future-proof

If you break a module or need to change it in the future, just replace that part - not the entire faceplate.

### Flexible

Get to site and the client changes what they want on their AV faceplate? No problem.

### Strong

Techconnect parts are robust for the rigours of every day use. They include strengthening ribs and reinforcing where required.

### Proven

For over 15 years Techconnect has improved and developed into one of the most popular AV faceplates in the world.

## SPECIFICATIONS

### COLOR

White

### MATERIAL

ABS Plastic

### PRODUCT DIMENSIONS

64 x 21 x 250 mm / 2.5" x 0.83" x 9.8"

### PRODUCT WEIGHT

0.1 kg (0.2 lb)

### PACKAGED WEIGHT

0.1 kg (0.2 lb)

### PACKAGED DIMENSIONS

120 x 200 mm / 4.72" x 7.87"

### CONDUCTOR THICKNESS
